

Park

The Park competition offers riders the opportunity to test their skills on a unique transition-based concrete bowl course. The BMX, Men's and Women's Park competitions each will begin with a 21-athlete qualifier. Each athlete will complete as many 45-second runs as possible within the 18-minute jam session. Final ranking will be based on the athlete's best score and the top 12 will move on to Saturday's elimination. In the elimination, 12 athletes will take as many runs as possible within the 18-minute jam session, with their best score counting towards final ranking. The top three per heat will advance to the final and qualify for X Games Minneapolis 2019. The final will then be one heat of six riders taking as many runs as possible within the 18-minute jam session, with their best run score counting toward final ranking.

Competitors will be judged based on aggressive execution of maneuvers, degree of difficulty, variety, continuity of run, originality and style, amplitude (height of airs) and use of the course.

The top six athletes from each discipline will receive invites to the X Games Minneapolis Park competition.
